**MID WEEK EVENING MEAL – 13<sup>th</sup> March**

Attendees were: Gary & Val; Dave & Wendy; Steve & Judy; David<sup>1</sup>; Jim & Auriel; Warwick & Allison; Sue Hoffman and partner.

We were set up on a long table in the Kootingal Bowling Club Chinese Restaurant. Meals were all right and large so many of us took home a ‘doggy bag’. Different chef to when last there in February 2022 so meals were much better this time. - Val Grout

~~~~~  
**BIKE RIDE FOR OLDER BIKES & MIDWEEK MORNING TEA – 20<sup>th</sup> March**

Attendees were: Dave Smith<sup>2</sup> - BMW motorcycle, Warwick Budd – motorcycle, Gary & Val Grout 1964 Holden, and in modern vehicles were: David Smith<sup>1</sup>, Gregg McLean, and Peter Walton walked there.

Lots of talking over coffee at the Bakery on Goonoo Goonoo with a nice breeze wafting in. Interesting to hear that Warwick still has his first car, a Vanguard which he gets registered each year on full rego as he wanted to keep the original plates.

Afterwards Dave<sup>2</sup> and Warwick were only going on a short ride to Kootingal. - Val Grout

## MOONBI KOOTINGAL MOTOR SHOW – 9<sup>th</sup> March

The Moonbi Kootingal Motor Show held by the Kootingal Motor Club was changed this year being held only on one day. It drew in around 200 vehicle entries, apparently highest for many of years and the crowd numbers were also up.

Among the entries of interest were: Michael Jeanes' 1963 Valiant Plymouth Signet, a Porsche 928s that came from Sydney, a 1974 Falcon GT from the Central Coast, and a 1914 Marshall steam engine which won the best engine category.

This year's show drew a wide range of cars, trucks, bikes, tractors, stationary engines - providing something for all motor enthusiasts. The event, which has been running for about 15 years, draws entries from the coast, north from Guyra and Glen Innes, and west from Gunnedah and Narrabri.

The event also featured market stalls, trade stalls, antiques, and collectables as well as craft and art demonstrations, and swap sites. Warwick Hord got to sell quite a lot at the swap meet.

A fair few of our club members attended. David Smith<sup>1</sup> with his VW Camper van and Grout's were still there when they started packing up 2.30pm.

## SHOW & SHINE BUNNINGS – THEN MANILLA – 10<sup>th</sup> March

Attendees were: Gary & Val Grout - 1964 Holden, Brian Wiggs - 1981 Porsche; Frank Edwards, grandson & Allison - 1985 Commodore wagon; Dave Smith<sup>2</sup> - 1986 BMW coupe; Roger Garment - 1987 Nissan with club trailer; David Smith<sup>1</sup> - 1993 Ford Capri convertible. In modern were: Steve & Judy Grierson.

David<sup>1</sup> came in his latest acquisition, a pretty blue Ford Capri convertible. Saw Michael Jeanes there from TVCC with his 1967 Bentley. Not many other cars on display as the weather has been quite hot. Mike usually attends but was over at the coast. Lots of talking in the air conditioned cafe.

After coffee and conversation, we drove off to the river in Manilla just along from the weir where we met up with Jim Kline & Auriel Smart (1958 Morris Minor) and Mark Jeanes (1962 Studebaker). Roger took the club trailer with BBQ gear, gas urn and tables for a BBQ lunch provided by our club. Dave<sup>2</sup> & Jim did the cooking while Wendy and Auriel set up the tables.

It was quite peaceful and relaxing chatting down by the Namoi River. After lunch a few went up to look at the weir. Still plenty of water flowing over it to go into Keepit Dam, the dam is just under 40% full. Dave<sup>2</sup> got to have a ride in Brian's Porsche and so did Roger. I had a short ride later, lots of take-off power to throw you back in your seat.

## JUST FOR FUN

Harley Davidson is closing many of its plants due to declining sales. Apparently, the Baby-Boomers all have motorcycles, and Generation X is only buying a very few and the next generation, the Millennials aren't buying any at all.

A recent study was conducted to find out why?

Here are the reasons why Millennials don't ride motorcycles, and why sales are down:

1. Pants won't pull up far enough for them to straddle the seat.
2. Can't get their phone to their ear with a helmet on.
3. Can't use 2 hands to eat while riding.
4. They don't get a trophy and a recognition plaque just for buying one.
5. Don't have enough muscle to hold the bike up when stopped.
6. Might have a bug hit them in the face and then they would need emergency care.
7. Motorcycles don't have air conditioning.
8. They can't afford one because they spent 12 years in college trying to get a degree in Humanities, Social Studies or Gender Studies for which no jobs are available.
9. They are allergic to fresh air.
10. Their pyjamas get caught on the exhaust pipes.
11. They might get their hands dirty checking the oil.
12. The handlebars have buttons and levers and cannot be controlled by touch screen.
13. You have to shift manually and use something called a clutch.

There were three Irishmen in a pub named Mick, Pat and Tat.

The barman asks, "Are you all related?"

Mick said, "Yeah, we are triplets!"

Barman said, "Triplets! how come you and Pat are 6ft tall and Tat is only 5ft tall?"

Well said Mick "Me and Pat were breastfed, so there was no tit for Tat!"
