Barry has been a vehicle inspector for this club for many years, he has always taken part in Club activities despite battling Cancer for the last 4 yrs Barry made sure he attended Club events when he could his last club outing being the combined club outing at Jerseyville Boat Ramp Park in November. We held an Elephant swap which was a lot of fun and as usual our raffle Queen Kerrie was in full swing with great prizes, thank fully Sam Smyth let some other members win this time. Although Terry Cox's name was mentioned a couple of times and for some reason Tony Dowman went missing when he won his prize.lol

Members having a great time with The Raffle Queen Kerrie doing her thing. Our raffles last year raised Over \$1000. which covers the cost of the things the club subsidizes for members. So well done Kerrie and all those who participate, we have won some great prizes including a set of impressions glasses which are beautiful to drink out of, all for \$2 or 3 For \$5.0

This Vehicle was a full nuts and bolts restoration completed in 1990 by our member Barry Furness

who recently passed away and is offered for sale by his wife Gloria

This car would be one of the best flagship vehicles in our club. The new owner needs to spend no more than registration to have a rare vehicle indeed.

All enquiries in the first instance should be to Lindsay Rapley 0466606426 to arrange an inspection. Currently Garaged at South West Rocks NSW price is \$ 52,000 negotiable

Our most Christmassy couple Christine and Peter Woods masquerading as Mary and Joseph with Camels lol, they also won a local prize with these disguises. Second for the men was George Pedrisat and the ladies was Maureen Murray

!7 th December we celebrated Christmas . Our club had a good roll up for lunch and some Christmas fun.

The Meal was a plate full, 1/2 chicken and vegies, beef and roast vegies, fish and roast veggies or chips. All followed by 3 alternate drop deserts yum. Our hostess the Kempsey Heights chef Dee out did herself this time. In between courses some jokes were told by Lindsay and I.

We the sat around and waited for the Heritage car Club,with our members thinking they might have gone to Little bay by mistake. Russell Murray scampered out there to check and there was none there. They rolled in after 12 O'clock.the South Kempsey park where they had Morning tea was so nice they didn't want to leave, There were about 26 members from their club. A great day was had by all despites a bit of a breeze..

From Neville Anne and the Red Mg bee.

Just a n aside from the editor and the photographer about Barry's car. It is so well restored that I cant find any Photos of the back of it.

Complements of Jane Mann. The way to make your tyres last longer

2 Irishmen were going home from a pub one night, they decided to go take a short cut through the cemetery.Mick stumbled over a stone ,when he got up. He said Pat ,”he was an old bloke? “Pat said “How old was he and what’s his name,Mick.? “He was 100yrs old and he was a miles from Dublin.”Yeah I know an Oldie but goody

Those bad jokes on the last page are because my usual joke contributors have been on strike for christmas or that's what they say..Maybe they used all their jokes up at the Christmas dinner. So here is what I need to make this newsletter good again.

- 1) stories about your vehicles or your family.
- 2) jokes any type
- 3) photos
- 4) places that you would like to visit.

19 Th November combined club Event with Hastings Historic car Club.This is an annual event.

You could almost halve your requirement for the 5 events you have to take part in for historic plate registration in 2 days at this time of the year.

At South Kempsey Park our club member sprinkled in after 9.15,we waited for some more members who we knew were coming. Before we left some of our Hastings Historic car club were coming as they were having morning tea at the Park amongst them was an ex-member of our Club Paul Cooney.We left as our plan was to have morning tea and lunch at Jerseyville, we knew that some of our members were waiting there.

With Lindsay and Kerrie leading the trip we wended our way down to Jerseyville,On arrival we were greeted by 8 of our members including Gloria and Barry Furness,It was good to see them along. We had our morning tea.

Doc demonstrating his prime mover, it is very realistic with engine starts, brake sounds etc. Big boys toys, don't you just love it.

Our Second life membership awarded this year is

Graham Smith, known to his mates as Tick Tok.

Graham has been a member for over 20yrs and in that time he has fulfilled many committee rolls, The last one being the trip officer prior to Neville taking the job and he has his beloved Sylvia his partner of many years. Graham still takes part in most club activities and is always ready to put up his hand when we need him. One of his hobbies is still fixing watches, Lindsays being one of the latest unfortunately he has had to give up flying which means Nev and I don't get our Sunday afternoon entertainment.

Grahams beautiful old Holden, with Sylvia having done the bolt

Whats hiding in Members shed ?.

These vehicles on their way to restoration are in Rob Robe's shed .The first vehicle is Robs own Austin and the red vehicle belongs to Les Bale, it looks like it will be ready to roll very soon
