Highlight for David Smith¹ at the Coffs Harbour Rally was to have a short drive of this 1915 T Model Ford at the Showground.

He restored a 1919 T Ford and owned it for many years.

**LOGBOOK RIDES – October 2024**

**Tuesday 8<sup>th</sup> October – Dirt Ride**

Twelve riders for coffee then headed to Warrabah National Park to boil the billy. Last time we attempted this ride gates were locked but better luck this time. Lots of campers on the lower parts of the park. Tracks going all over the place up there so wouldn't be that hard to get lost. We rode to the very end of the track so pretty much had the place to ourselves. One of our riders was on a spider (two front wheels and a drive rear wheel) not the machine you would expect to go on our dirt rides. Handled the rough and dusty conditions well but didn't know if that will be the same when we tackle some mud. Top of the Namoi River clean and cold. Got fire going being extra careful not to pick up a brown snake. Lovely cup of tea and sandwich then headed back to Manilla via Crow Mountain. Refuelled at servo then home via Yarraman Bully Road. 210klm today about 95 percent on dirt so really needed a shower and a beer by the time we got home. Great company as always and no incidents that I'm aware of.

### Thursday 10<sup>th</sup> October – Tar Ride

Good roll up for coffee. Rode my old '83 Suzuki this time. Just around the block as we say, so home for lunch. Snakes are about and magpies still swooping, but nothing else to report.

*Right –*

Barry Thomas' 1981 Suzuki Katrina and his old 1982 Suzuki GS1100 in background, not looking out of place by today's standards even though over 40 years old.

### Thursday 17<sup>th</sup> October – Tar Ride

Big roll up for coffee and a chat as usual. Then a quick ride around the block. Nemingha, Loomberah Hall, across the highway to Duri then home for lunch. Nice little ride, very quiet so a chance to open the throttle if so inclined. Burgmanns Lane getting worse by the day as previously reported in September edition of Rusty Relic.

### Tuesday 22<sup>nd</sup> October – Dirt Ride

A baker's dozen for a ride, destination Mount Borah. This time the ride was in opposite direction than usual track (does make a difference). Mount Borah proved to be a bit of a challenge with bad corrugations and loose pebbles so traction hard for the bigger bikes. Two spills and one rider failing to get to the top at all. Nobody hurt so that's always a good thing.

Parra sailing in full swing so enjoyed watching them take off and sail for half hour or so. Boys exercised extreme caution coming back down the mountain. Staying in the very centre of the road was a must. Camber on both sides of the track very loose so first gear most of the way and don't touch back brake. Lunch at Manilla Bakery excellent, salad rolls great \$9.00 and pies popular as well. 188klm today so not a big ride and made home without switching on reserve tank. Fun day out with a good bunch of blokes.

### Thursday 24<sup>th</sup> October – Tar Ride

Just the usual chatter today mostly about Mount Borah ride. Nobody interested in going too far, so rode around the block and home.

### Thursday 31<sup>st</sup> October – Tar Ride

Can't believe October's come and gone. Eight for coffee and a yarn. Took the Triumph for a run today so didn't go too far.

Got a text from Steve Searl last night. Steve's in Japan with his bride having a look about. Steve sent a few photos, four which I have included in report. That's all folks , October done and dusted.

~~~~~  
MID WEEK EVENING MEAL – 23rd October

Attendees were: Barry Thomas & Elaine Constable; Gary & Val Grout; Jim Kline & Auriel Smart; David Smith¹; Dave & Wendy Smith; Gregg McLean; Warwick & Allison Hord.

This time we went back to Central Chinese Restaurant at 6pm. It's fairly quiet there with not many other diners so we can hear each other talk, most meals are take-aways. Meals are quite large, and they made a dish that's not on their menu for Dave² and Jim, a sweet & sour combination short soup. Didn't look like soup as it was on a dinner plate.

BUNNINGS SHOW & SHINE – Sunday 13th October

TDAMC attendees were: Ray Searle - 1941 BSA motorcycle; Mark Jeanes – 1989 Moto Guzzi motorcycle; Steve Ryan - Moto Guzzi motorcycle; Wayne Forster - Honda Goldwing motorcycle with sidecar; Lindsay Wallace - Triumph motorcycle; Mike Pett - motorcycle; Pat Lawlor - 1952 MG TD; Gregg McLean - 1974 Triumph TR6 convertible; Dave Smith² - 1986 BMW Coupe; Steve Grierson; Gary & Val Grout; David Smith¹ & Peter Walton.

Looked at cars and bikes and chatted to some owners in car park. Gary and I enjoyed a chat in the café over coffee with Steve, Gregg, David¹ and Peter. Discussed various topics. – Val Grout

CLUB RUN TO WOOLOMIN – 20th October

Attendees were: Gary & Val Grout - 1959 Chev Belair; David Smith – VW Combi Van; Steve & Judy Grierson - 1937 Buick; Warwick & Allison Hord; Jim Kline & Auriel Smart (lunch only). Apologies from Dave² & Wendy Smith, Dave was away on his annual motorcycle rally with a mate going to Oberon & Bathurst.

Morning tea and a chat was as the Tamworth Lookout, weather quite pleasant. We then travelled along Nundle Road to Woolomin meeting up there with Jim & Auriel. A pretty drive, countryside looking lovely and green along the river flats. Some bought lunch at the Woolomin Shop. Lots of talking at the picnic shelter.

**GREAT EASTLAND RALLY - 25-27 October**  
**Hosted by Coffs Harbour Vintage, Veteran & Classic Car Club**

Travelling to Coffs Harbour on Friday from Tamworth were: Gary & Val Grout in their 1959 Chev Belair and David Smith<sup>1</sup> in modern with van in tow (not quite ready for his HD Holden to tow van). We stayed in a cabin (carport too small for the Chev) at the Reflections Caravan Park and David stayed there in his van. It was next to the Showground where the drives started from. The Saturday & Sunday evening meals were in the Showground Pavillion. Friday evening was a welcome BBQ at the Coffs Harbour Foreshore.

Saturday morning started with a nice morning tea in the Pavillion. David travelled with us on the rally which went Northwest, crossing over the by-pass road works, past a few banana plantations and blueberry farms into the forest through lovely countryside in the Upper Orara Valley to Coramba Bush Fire Shed for lunch.

Two Borgward Isabellas

In the afternoon we had a look at 'The Bunker Museum' which had a series of cartoons in it and recently has added historic Holden cars, some from the Echuca Museum which has closed down (we went there in 2019).

Saturday night's meal was at the Showground Pavillion celebrating their club's 50<sup>th</sup> Anniversary. Some of their past members were able to attend. A couple of videos of past rallies were shown, one was of a Tamworth GE rally.

Sunday morning started with morning tea and show and shine at the showground for about 30 vehicles from visiting clubs (Port Macquarie, Taree, Tamworth, Armidale, one from Chev Club & one from Queensland) plus many from Coffs Harbour club. A wide range of vehicles from veteran to more modern with only one Holden, a 1966 wagon.

Then a drive down south to Urunga area and doing a loop around the river and back up into the National Park to Bongil recreation area for lunch. A lovely peaceful area amongst extremely tall trees.

On the way back Gary was breath tested on Hogbin Drive but wasn't asked about logbook or rally info or why we weren't wearing seatbelts, which were not fitted to the Chev, hopefully no fine will turn up in the mail.

Back at the Pavillion for the evening meal, presentations, trivia and raffle prizes. David won a raffle prize and so did Gary. The People's choice went to Phillip Constable from Hastings Club for his nicely restored 1928 Chev Ute.

Good to catch with other rally participants that we have met on other rallies and meet new faces. We enjoyed David's company travelling with us and thanks to him for taking us to the pavilion at night. Even though the caravan park was next to the showground we had to go the long way around to get to the pavilion as there was a locked gate at the park. Many Taree members at the park walked the long way around.

Many thanks to the members of the Coffs Harbour Club for hosting a very enjoyable well organised rally with nice people, nice drives and lovely scenery. Next year's Great Eastland Rally will be in Armidale. - Val Grout

## JUST FOR FUN

### THE OUTHOUSE

Once there was a little boy who lived in the country. The family had to use an outhouse, and the little boy hated it because it was so hot in the summer, freezing cold in the winter and stank all the time. The outhouse was sitting on the bank of a creek and the boy was determined that one day he would push that old Outhouse straight into the creek.

One day after a spring rain, the creek was swollen so the little boy decided today was the day to push the outhouse into the creek. He found a large stick and started pushing. Finally, the outhouse toppled into the creek and floated away.

That night his dad told him they were going to the woodshed after supper. Knowing that meant a spanking, the little boy asked why.

The dad replied, "Someone pushed the outhouse into the creek today. It was you, wasn't it son?"

The boy answered yes. Then he thought a moment and said, "Dad, I read in school today that George Washington chopped down a cherry tree and didn't get into trouble because he told the truth."

The dad replied, "Well, son, George Washington's father wasn't in the cherry tree."

### A LITTLE OLD LADY

A little old lady went to buy cat food. She picked up three cans, but was told by the cashier, "I'm sorry, but we can't sell this to you without proof you have a cat. Too many seniors are buying cat food to eat. Management wants proof that you are buying this for your cat."

So the lady went home, brought in her cat and was sold the cat food....

The next day, she tried to buy two cans of dog food and was again told she couldn't buy them without proof. So the lady went home, brought in her dog and was sold the dog food....

One day later, she brought in a box with a hole in the lid and asked the cashier to stick her finger in the hole. The cashier said, "No, you might have a snake in there." The lady assured her that there was nothing in the box that would harm her.

So the cashier put her finger into the box, quickly pulled it out and exclaimed, "That smells like crap."

The old lady replied, "It is. I want to buy two rolls of toilet paper."

-----

Let's get this straight, I go to the grocery store and buy a pound of sliced ham in a plastic bag, a loaf of bread in a plastic bag, a litre of milk in a plastic bottle, a store made salad in a plastic tub, some vegetables in a plastic bag, and a plastic bottle of sauce, but they won't give me a plastic bag to carry them home because the plastic bag is bad for the environment?
